Gala Tickets

Refunds and Transfers

The Gala Committee was very clear in stating early on that ticket refunds would only be given in cases involving an extreme emergency.

Due to the sellout of the Centennial Gala, the committee is researching viable avenues for a possible ticket exchange. This exchange would allow those who have purchased tickets and are unable to attend, to sell them to interested parties. Please stay

tuned as this “exchange” is just a consideration at this time.

Gala Ticket Mail Out

Tickets and invitations will be mailed approximately 2 months prior to December 19. The committee will send tickets to the mailing address provided at the time of purchase. If a group table is purchased (seating for ten), all tickets will be sent to the table captain (the person who made the initial purchase). It then becomes the table captain’s responsibility to track the names of the persons to be seated

at his/or her table. However, for tracking purposes, captains are asked to send a list of names to the Gala Committee. This method will help hospitality properly and quickly seat your guest at the Gala. Send request/notifications to:

Help "Save The Temple"

The overall goal of the Grand Gala is to provide opportunities for the members of COGBF to reflect on the great history and contributions of our forefathers. We hope it also challenges us to look introspectively at the history that their contributions will demand from those who are now the beneficiaries of this rich heritage and to make haste in paving new paths for the future generation of "By Faith" babies.

The Temple in Ocala, Florida is the last major monument that still stands as a legacy and testimony to our spiritual forefathers. We have an obligation to "SAVE THE TEMPLE". This historic building is in great need of repair and upgrades and we must pool our collective resources to bring this building back to its former glory. Our prayer is that all "By Faith" members and well wishers will join us in this noble cause.

A great way to contribute to this cause is by taking part in the Silent Auction. The Silent Auction is a very important part of the Grand Gala Celebration.

The auction will serve as a major fund raising effort. You can help to make this project a great success! All Church of God by Faith districts, local churches, corporate sponsors and businesses are asked to assist us by donating significant items for the Silent Auction bidding. Some desirable items would be iPods, laptop computers, vacations, golf clubs, watches and jewelry, electronic games, luggage, cameras and other items of general interest to the public at large. Just a reminder, do not remove items you donate from their original packaging.

Remember all proceeds from the auction will be designated to the Ocala Temple Renovation Project.

Contact Deacon James Thomas if you have any questions.

COGBF Museum of History

In March, we shared with you our plans to have a room completely dedicated to the history of Church of God By Faith at the December Convention. We have secured the space for the museum.

Each district is asked to develop an extensive composite history of every local church and create a video or pictorial presentation of the information that chronicles the development of that local church on the district.

These historical accounts could include pictures of the first church building (if available) and pictures of the founders and other important pillars of that congregation. You can include any upgrades or renovations to the original church and the current church as it stands today with the current leadership's name and picture, etc.

Please bring this information to Atlanta to be part of the exhibit in our By Faith History Museum for the four day convention. A limited amount of security will be provided but each district is asked to assign monitors to safe guard any values you may have on display.

Contact Harrison Pickney at cogbf100@gmail.com for more information.

Corporate Sponsorships Are Needed

Business owners can partner with us by purchasing a page in the Centennial Souvenir Book for **\$250.00.**

We urge members to solicit support from neighborhood businesses and members on the district or in their local church that are proprietors. Everyone can help in this effort.

The deadline to submit all print copy for the book is **October 31.**
